Stars to Play Benefit for Japanese

By VERNON SCOTT

UPI Hollywood Correspondent HOLLYWOOD (UPI) — Ten top stars left for Las Vegas today to perform in a benefit show for victims of last month's typhoon catastrophe in Japan.

Titled "Operation Typhoon," the show will star Dean Martin, Donald O'Connor, Gene Kelly, Zsa Zsa Gabor, Vic Damone, Lucille Ball, Burl Ives, Debbie Reynolds and Ernie Kovacs.

The driving force behind the project is Frisky Shirley MacLaine, whose husband, Steve Parker, is producing the all-star revue.

Parker flew in from Japan last Monday and will return to Tokyo Thursday with the proceeds from the benefit.

"This show is front-page news in Japan and one of the best international relations projects to come along in some time," Parker said. "But it's not just a stunt."

Saw Typhoon's Effect "I live and work in Japan six months of every year, and I was down in southern Japan right after the typhoon struck. It killed some 6,000 people, and left a million and a half Japanese homeless and hungry. I cried like a baby seeing those poor people so utterly desolated."

Red Chin, which has no diplomatic relations with Japan, shipped in 400,000 bushels of wheat to Japan. So far, our government has done nothing to help."

Parker and his friends have raised \$70,000 at the benefit, charging \$50 a seat for the show at the New Frontier Hotel, which holds 900 people. Much of the money will be raised at an auction following the stage show.

Works in Japan "Shirley and Dean Martin will auction off Japanese heirlooms, Samurai swords, kimonos and a vacation trip to Japan by plane."

"The money will be given directly to the Japanese government."

met Tuesday night November 10 in the home of Mr. and Mrs. Kenneth Garrett.

The meeting was opened with prayer by Edward Key. After a short business session, Ray Turner brought a devotional on "The Four Things a Christian Should Do."

The meeting was closed with prayer by Rita Byers.

After the regular meeting a pink and blue shower was given for Mrs. Wayne Bain. Games were played and refreshments were served to the 15 members and seven guests present.

Mrs. Rufus Sorrells Presents Autobiography

Mrs. Rufus Sorrells presented her autobiography in an interesting book review at a meeting of Chapter AE of the P. E. O. on November 10 in the home of Mrs. R. B. Moore.

"The People's House" was the name of the book which told in a clever way of life in a Methodist parsonage.

Mrs. L. B. Tooley, president, conducted the business session. Books and maps were collected to send to the two state tuberculosis sanatoriums.

Beautiful chrysanthemums decorated the entertainment rooms. Mrs. Moore was assisted by Mrs. L. D. Springer in serving as hostess. Pumpkin chignon pie, nuts, and coffee were served to 14 members and two guests, Mrs. E. P. Young, Jr. and Mrs. W. M. Reinhardt.

Religious Marriage, Even If Late, Can End Worries

By DOROTHY DIX

Dear Dorothy Dix: My sister has been married since 1939 and has three children. She has had a very happy married life with a fine husband but recently, she confided to me the secret that she and her husband had lived together ten years before they were married. Then they had a civil ceremony but would be married in church some day. Now she is worried about her children. She has heard that they cannot be married in church because their parents weren't.

Dear Ann: The solution to your sister's problem is for her and her husband to have a church ceremony as soon as possible. While there is absolutely no truth to the statement that her children will be denied a church wedding because their parents didn't have one, it will certainly make the family feel better if there is a religious ceremony. This can be held in private.

Dear Dorothy Dix: My best friend tells me he loves me, but his actions make me doubtful. He is not dependable. He'll make a date, then fail to keep it, and doesn't even offer an explanation. My mother has invited him for Sunday dinner a few times and, after accepting, he just didn't come. —Tearful

Dear Dorothy Dix: It's possible that the boy is afraid of people and hasn't the courage to tell you so. Then again, he may dislike the restrictions of a social group, or feels inferior in one. If he doesn't overcome his shortcomings in this respect now, he probably won't after he's married.

Dear Dorothy Dix: I'm going with a boy for two years; we are both 30 and very much in love. There is only one thing that troubles me: he's thirty. Whenever we go out he likes to look at all the girls and comment on them. Does this mean that I couldn't trust him?

Dear Ivy: You unconsciously summed up your own problem when you referred to your friend as a "boy" — and he's 30 years old. The trouble is, of course, that he hasn't grown up to his years, and still indulges in adolescent jangling and wisecracking. You can trust him as far as you can see him. He appears very untrustworthy and certainly not ready for married life.

Send your problem to DOROTHY DIX. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper.

Rockefeller Cites Issues U. S. Faces

SAN FRANCISCO (AP)—Living in an era of revolution, the American people must recognize that the threat of Soviet communism is only one of the many issues that must be faced, New York Gov. Nelson A. Rockefeller said today.

"We must clearly see the conflict between American and Soviet objectives and principles as only one grave struggle upon the wide scene in this age of revolution," Rockefeller declared in an address prepared for a Commonwealth Club luncheon.

The New York governor, often mentioned as a possible candidate for the Republican nomination for president, flew here from Los Angeles.

"We know one critical fact about such a new order: the concept of a self-sufficient nation-state cannot be the essential instrument of the future," he said.

"We need, instead, some sort of greater and larger political arrangement."

This means the growth of regional groupings of nations, so that the traditions of culture, the needs of economy, and the nature of politics—all are enlisted to serve the defining of new and stronger and healthier relations among the nations, he said.

He noted that arrangements of this type already exist, the Organization of American States, in the American Hemisphere, and the North Atlantic community.

"We do not choose between military strength or diplomatic negotiation. The truth is that there cannot be one without the other," Rockefeller said.

Pure power, without policy, is in every sense a sword without a point. And a policy, unsupported by power, cannot negotiate; it can only beg."

Woman Who Killed Child to Be Freed

FRAMINGHAM, Mass. (AP) — Mildred McDonald, 31, a stenographer sent to prison six years ago for killing a child who taunted her about a broken romance will soon be free.

Case Against Demonstrators Set Nov. 20

LITTLE ROCK (AP) — Circuit Judge William J. Kirby Friday set for Nov. 20 a hearing on a requested change of venue for 19 persons arrested in a segregationist demonstration Aug. 12.

"The defendants' attorneys are asking Kirby to order Municipal Judge Quinn Glover to transfer the charges from his court to the Jacksonville Municipal Court."

Glover has refused the requested change but has held up trial of the cases pending settlement of the appeal on the question of venue.

City Attorney Joseph C. Kemp Thursday filed a response to the defendants' petition. He asked Kirby not to interfere with trial of the cases by Glover.

The 19 persons face misdemeanor charges. They were arrested when police broke up the demonstration near Central High School the day it opened with limited integration.

Cuba Rejects Try to Better Relations

HAVANA (AP) — Cuba rejected today Washington's contention that efforts are being made here to replace traditional U.S.-Cuban friendly relations with hostility and distrust.

The American point of view, as expressed in protests of Oct. 27 and Nov. 8, was rejected as unfounded. The Cuban reply was delivered today to U.S. Ambassador Philip Bonsal.

The lengthy note, which covered almost every major phase of Cuban-U.S. relations, reiterated accusations that American-based planes bombed Cuba. It cited specifically bombings of two sugar mills in central and western Cuba last month.

Bobcats Drown Badgers By 9 to 0

Hope Clinches Tie For Title In Conference

By TEDDY JONES, JR.
Hope Star Sports Writer

Coach John Pierce's Hope High School Bobcats splashed to a 9 to 0 win over the Arkadelphia Badgers on rainy, cold, wind swept Haygood Field at Arkadelphia last night.

The win insured the Cats of at least a tie for first place in the strong 4AA conference.

The Bobcats racked up a safety with five minutes left in the first quarter to post two points and Quarterback Byron Smiley went over left guard from one yard out with 15 seconds left in the second quarter to score the game's lone touchdown. Ford Ward drove over the left side to add the extra point bringing the score to Hope 9 - Arkadelphia 0.

That was the ball game as far as the scoring went but it doesn't tell the whole story of the miserable conditions under which the game was played due to the extreme weather. A driving rain turning colder as the game progressed along with plenty of mud turned the battle into a typical defensive encounter with Hope protecting their nine point lead and both teams playing for the breaks in the fumble division.

The strong Bobcat line again turned in a stellar performance holding the Badgers to a total of 27 net yards rushing. Erwin, Messer, Snell, Jones, Herndon, Walton, Gilliam, Churchwell, Owens, and Vaughn, along with the defensive secondary stopped the Arkadelphia running game cold.

The Bobcats allowed the Badgers only one penetration inside their 20 yard line, that coming mainly on two completed passes by Estes midway in the third quarter when the Badgers trailing 9 to 0 were forced to play catch up. An Arkadelphia fumble recovered by Hope stopped the drive on the 13.

The steady driving of Turner, Ford Ward, Joe Duke, Arnett, and Dudley ground out 246 yards on the ground for the Bobcats.

In the all important fumble department the Bobcats were able to control possession and good field position by gobbling up four Badger mistakes. The Badgers fumbled five times and lost the ball four times. The Bobcats fumbled four times and recovered each time.

The Bobcats played without the services of two of their regular backs. Eddie King halfback was out with a broken finger and Fullback Terry Don Thurman did not

suit out due to a pinched nerve injury to his back.

In the first quarter the Hope Bobcats drove to the Arkadelphia 9 yard line only to lose the ball on downs. Stoker, Badger back, standing behind his own goal attempted to punt out. On the first try he fumbled the wet slippery ball and recovered on his own 2 yard line. On his second attempt, again behind the goal, he fumbled by Larry Walton. Bobcat end, in the end zone for safety and Hope's first two points.

Both teams resorted to the kicking game and playing for the fumble breaks for the next ten minutes.

Eight minutes deep into the second quarter the Bobcats recovered an Arkadelphia fumble on the Hope 30 yard line. Spearheaded by a 16 yard scamper by Smiley the Bobcats advanced as far as the Arkadelphia 12 where a Smiley fumble recovered by the Badgers stopped the drive.

On the first play following the recovery McMillian, Badger quarterback punted out to the Arkadelphia 36 yard line where the Cats took over and proceeded to march the 36 yards for the game's only touchdown.

A crucial play, and a break for the Cats, came with a minute and a half left in the second quarter. The Cats were faced with 4th down and three yards to go on the Arkadelphia 23 yard line. An Arkadelphia offside penalty set up a Hope first down on the Arkadelphia 23.

Smiley passed incomplete to Duke on the 15. Ford Ward went around RE to the 14 and Joe Duke made it 1st and 10 on the Arkadelphia 10 yard line.

With one minute left in the half Johnny Turner hit left guard to the nine yard line. A Smiley to Duke hand off carried to the 3. Turner went off RE to the one yard line with 15 seconds left.

Fighting the clock QB Smiley hit the center of the line and slid off his left guard for the TD with 5 seconds left in the half.

Ford Ward, subbing for Thurman, who turned in his best game of the year plunked over the left side for the all important extra point.

The second half, with game conditions considerably worsened by the weather, was pretty much of a stalemate.

Arkadelphia staged their lone drive in the third quarter as far as the Hope 15 yard line was stopped by a fumble.

Hope, in the 3rd quarter put together a drive following the second half kickoff that carried as far as the Arkadelphia 21 where the Cats lost the ball on downs.

The Bobcats received the 2nd half kickoff and Duke returned to the 33 from his own 20. Duke raked up a 1st and 10 on the

This ended Hope's offensive efforts for the night.

At game's end Larry Vaughn, Bobcat punter, had backed the Badgers up towards the goal with their backs to the wall. Punting from his own 37 Vaughn kicked out on the Arkadelphia 8. The game ended with the Badgers in possession at this point.

Ford Ward of the Bobcats received an ankle injury and Joe Matt Herndon was injured and taken out in the third quarter. Neither are believed to be serious and with an open date next week the Bobcats should have ample time to get ready for Nashville.

Weather conditions for the game were so adverse that the crowd numbered less than 50 spectators at the start of the game. A dozen or so brave Bobcat supporters outnumbered the half a dozen or so Arkadelphia fans in attendance.

The Hope Band and Pep Squad made the trip but weather prevented their scheduled appearance and they left for Hope at the half.

The Bobcats have an open date next week and close out the season Thanksgiving afternoon in their annual clash with the Nashville Scorpions.

Last night's win boosted the Bobcats to a most respectable won 7 lost 3 record for the year.

Bennett Ordinance Hearing Next Week

LITTLE ROCK (AP)—The U.S. Supreme Court next week will hear oral arguments on a constitutionality of Little Rock's "Bennett Ordinance."

The ordinance, patterned on one proposed by Atty. Gen. Bruce Pennington, requires certain organizations, including the National Assn. for the Advancement of Colored People, to file membership and financial data with the city.

The measure was upheld by the Arkansas Supreme Court and the NAACP appealed to the U.S. Supreme Court.

City Attorney Joseph C. Kemp who will represent the city at the Washington hearing, said the arguments would be presented either Tuesday afternoon or Wednesday morning.

"Guaro! I went to the Rio Guama to sketch the shacks!"

Then I shall have more respect for the Rio Guama and curse the wind less that blows off the stinking Guama rats."

"I would like to go home, please, Guaro." She could not listen to any more. And she could not resist looking toward the Pinto table as they left. Manoel didn't see her; he was standing. Emilla was rising, apparently to dance. Sara shivered as they went out into the warm night air.

She knew now, of course, why he hadn't telephoned. She had been a fool to think of him as a man. Hadn't she read long ago that he was a friend of the daughter of Pinto the bank official? He was insurance claim No. 9,857,524. With a mouth that crinkled sometimes. Almost imperceptibly. On rare occasions it broke into a real smile.

Guaro marked in front of the house and Adalgiza got out, leaving the car door ajar. She stopped on the sidewalk to wait for Sara. "Are you going to tell her I'm going?" Guaro whispered. "Or must I?" His arm was around her. "Because I'm going to kiss you until you beg for more."

"I must go in, too, Guaro." She tried to pull away from him. (To Be Continued)

"I PRESS FORWARD"

HAVE
FAITH
IN
GOD

...to a high calling in Christ. For I know, "out of the lowest depths there is a path to the loftiest heights."

This man's challenge is higher ground...to blaze his way to God. His highest moral intent is to go Heavenward. God had a purpose in his road-block. Maybe there is one before you. God doesn't make it easy for us to be good. But He gave Jacob a ladder and he climbed to Princehood with God. From way down, a man can climb way up when his purpose is lofty. The church will help every man in his climb if he truly seeks higher ground. You are what you want to be — good or bad; of God or of the devil. Then seek good this week...go to church.

TRUST
ONLY
IN
HIM

**You In The Church
The Church In You**
— form a combination for good. Every man, woman and child needs the influence of the church. So, come let us go into the house of the Lord. Let us support her program of service to humanity, be a faithful worker, a daily bible reader and attend services regularly.
